SPEED POST

Sub: The research project entitled "Theoretical study of structural and magnetic properties of transition metal doped metal oxide nanostructures"

Dear Dr. (Mrs.) Deshpande,

You may please recall that you had presented the above said proposal before the Nano Science Advisory Group (NSAG) some time back.

I am pleased to inform you that the proposal mentioned above has been recommended for support for 3 years duration with following details:

| | |
|-----------|---|
| Manpower | JRF-1 @ Rs.16000/- p.m. (as per DST norms available on our website www.nanomission.gov.in) |
| Equipment | Computer system and peripherals (up to Rs.12 lakh) |

Some funds for Consumables (including UPS batteries), National Travel and Contingencies have also been recommended. The NSAG has also suggested you to use free software from the open source.

You are requested to go through the manpower norms and inform the rate of HRA, Medical Allowance etc. to be paid to the project staff as per your institute norms. I would request you to kindly send quotation/s for the equipment/s and major accessories/spares approved under the project. Kindly also send details of Consumables to be procured year-wise.

Kindly note that it is now mandatory to keep whole amount of the grant in a bank account earning interest. Nowadays, we prefer transfer of funds electronically. For this, kindly intimate your institute's bank account number, Bank name and branch, Payee's name, RTGS/IFSC code and MICR number.

I shall process the case for financial sanction as soon as I receive the above documents and information from you. Please note that a project starts only after it is accorded financial sanction by DST.

If you have received DST project/s earlier, please let me know whether the Project Completion Report, Final Statement of Expenditure, financial year-wise Utilization Certificates have been submitted in respect of each of the projects and also, whether the unspent funds (if any) have been sent. It would be greatly useful if you can send photocopies of these documents.

With best regards,

Yours Sincerely

Gaurav Aggarwal
